FOR IMMEDIATE RELEASE

Colorado Engineering Council Announces 2016-17 Officers and New Board Members

DENVER (April 19, 2016) – The American Council of Engineering Companies (ACEC) of Colorado announced the following new 2016-17 board officers: **Elizabeth Stolfus, PE**, of Stolfus and Associates Inc., will serve as president; **Nancy Clanton, PE**, of Clanton & Associates Inc., will serve as vice president; and **Craig Watts, PE**, of MKK Consulting Engineers, will serve as secretary/treasurer. Immediate Past President **Marvinetta Hartwig, PE**, of Hartwig & Associates, a subsidiary of Stanley Consultants Inc., will continue board service.

Directors newly elected to ACEC Colorado's board are: North Director **Forbes Guthrie** of Stewart Environmental Consultants; Metro Director **William Green, PE**, of The RMH Group Inc.; Metro Director **Dave DiFulvio, PLS**, of Farnsworth Group; and National Director **R. Gregory Roush, PE**, of Leonard Rice Engineers Inc., who also will serve on the national ACEC Board of Directors.

###

About ACEC Colorado

ACEC Colorado (www.acec-co.org) is the business association of 220 member firms employing more than 10,000 employees in the independent private practice of consulting engineering. The organization is a primary resource for accessing engineering information, expertise and business ethics practices. ACEC Colorado provides leadership and direction by developing practical, feasible options and solutions based upon technical collaboration to achieve enduring outcomes to benefit society.
