

My Firm/I Plan to Support by:

- using #StandAsStewards in our firm's social media
- informing ACEC Colorado when we are in the news
- joining a Champion Task Force (please choose one):
 - Gain recognition for engineering professionals as factual resources in policy development.
 - Establish engineering professionals in the public's mind as visionary leaders in creating their quality of life.
 - Help engineering be the career of choice.
 - Make engineering a better business.
- encouraging my employees to get involved
(write employees' names that we can contact on back of this card)
