FOR IMMEDIATE RELEASE

Colorado Engineering Council Honors Highlands Ranch Resident with Award for Contributions to Profession and Society

DENVER (June 2, 2017) — The American Council of Engineering Companies of Colorado (ACEC Colorado) recently presented Stuart Monical, PE, with the 2017 Orley O. Phillips Award.

This award is the highest honor presented by ACEC Colorado and recognizes an individual's contributions to the profession, general societal issues, and ACEC Colorado and its programs.

Monical, a resident of Highlands Ranch, Colo., has served on and chaired numerous ACEC Colorado and ACEC National committees, including the Engineering Excellence Awards, Professional Development and Business Services. He is an ACEC Colorado past president, past ACEC National director and ACEC fellow. Monical has been a member of the council since 1982.

The award was presented to Monical during a ceremony at the ACEC Colorado Annual Meeting on May 19 at Magnolia Hotel Denver.

###

About ACEC Colorado

ACEC Colorado (www.acec-co.org) is the business association of more than 238 member firms employing approximately 11,900 employees in the independent private practice of consulting engineering. The organization is a primary resource for accessing engineering information, expertise, and business ethics practices. ACEC Colorado provides leadership and direction by developing practical, feasible options and solutions based on technical collaboration to achieve enduring outcomes that benefit society.
