ACEC Colorado has created an all-encompassing educational and networking experience to offer something for everyone from each segment within the consulting engineering industry. This two-day, not-to-miss conference on Wednesday, April 23-Thursday, April 24, at the [Hotel Polaris at the U.S. Air Force Academy](#) will:

- provide a focus on workforce and leadership issues within the consulting engineering industry;
- address sector-specific engineering topics on transportation, vertical design, water resources-environment, and energy-climate strategy;
- delve into current and ongoing business practice issues for finance, HR, IT, and marketing-communication/business development professionals;
- recognize leaders in Colorado's consulting engineering industry at the Annual Meeting & Honor Awards Luncheon.

ACEC Colorado expects 350+ attendees from a diverse audience across both the private and public sectors and from consulting engineering disciplines across horizontal and vertical design.

Registration

**Full conference registration that includes professional development credits for attending educational sessions is not included in sponsorship and exhibitor fees unless listed as a benefit.
