

ACEC Colorado (www.acec-co.org) is the business association of approximately 260 member firms that employ more than 12,500 employees in the independent private practice of consulting engineering. The organization is a primary resource for accessing engineering information, expertise and business ethics practices. All employees of member firms are eligible to participate on committees.

NAME: _____ FIRM: _____

PHONE: _____ EMAIL: _____

____ **MEMBERSHIP** | *Monthly 3:30 p.m. on Tuesday Prior to Third Thursday*
Advises and participates in programs to recruit and retain members from across the state. Reviews and approves applications for recommendation to the Board of Directors. Establishes contact and communication programs with member firms to encourage all-employee participation in Council programs and offerings.

____ **PUBLIC RELATIONS** | *Monthly*
Provides guidance and serves in an advisory capacity to ACEC Colorado staff on all issues related to engaging member firms through business development (BD) and marketing-communication initiatives—e.g., Colorado’s annual Engineering Excellence Awards, Honor Awards, educational offerings for ACEC Colorado Conference, ACEC National BD-MarCom Forum.

____ **VERTICAL/BUILDING DESIGN** | *Monthly 11:30 a.m. on First Tuesday*
Addresses issues specifically affecting ACEC Colorado-member firms in the vertical design segment of the industry and supports those member firms with information, advocacy and assistance.

____ **TRANSPORTATION** | *Bimonthly 11:30 a.m. on Third Wednesday*
Assists in establishing and communicating member relationships with transportation agencies, especially Colorado Department of Transportation, to facilitate the exchange of information and ideas. Also, participates in a quarterly meeting with staff from CDOT and assists in developing the agenda for that meeting.

____ **SALARY, BENEFITS & BUSINESS PRACTICES SURVEY**
Ad Hoc Meeting Basis
Assists in review content outline and questions for inclusion in each of ACEC Colorado’s two annual Salary, Benefits & Practices Surveys, which results in reports in Spring and Fall.

____ **WATER RESOURCES** | *Quarterly 11:30 a.m. on Third Wednesday*
Establishes liaison relationships with related agencies that include the Office of the State Engineer, Colorado Department of Natural Resources, Colorado Water Conservation Board, Mile High Flood District and Colorado Department of Health & Environment.

____ **ENERGY & CLIMATE STRATEGY** | *Monthly 9 a.m. First Friday*
Develops industry-wide consensus and leadership positions on issues related to energy production, energy alternatives and climate change important to engineering firms operating in both horizontal and vertical markets; undertakes a proactive legislative and regulatory advocacy program; and communicates with member firms on the energy and climate change issues that affect their businesses.

____ **GOVERNMENT AFFAIRS** | *Monthly November-May*
Establishes legislative programs to assist members in meeting their legislators, monitors and enacts recommendations for legislation, works with lobbyist, establishes legislative contact program and informs members about legislation that affects the industry and their work.

____ **PROGRAM** | *Monthly November-March*
Provides guidance for ACEC Colorado programming that aligns with the organization’s strategic plan and member needs.

____ **ENVIRONMENTAL** | *Monthly 3-4:30 p.m. Second Thursday*
Facilitates the exchange of environmental information across multiple markets and project lifecycle. Provides a forum for communication of common/key issues amongst our peers and to regulatory and other government agencies.

Coffee@CDOT
Semimonthly 8:30 a.m. First Tuesday | Facilitates exchange of information and provides a forum for communication of common issues to regulatory and other government agencies. Topics & Schedule:
<https://www.codot.gov/programs/environmental/coffee-cdot-1>

FORUMS, COALITIONS, LEADERSHIP, PACs & FOUNDATION

ACEC NATIONAL FORUMS | *Listservs & Ad Hoc Roundtable Events*
Provide member-firm employees with education and networking among peers at other member firms with similar interests in specific functional areas of responsibilities. Each forum offers roundtable events and a listserv.
____ Business Development & Marketing ____ Human Resources
____ Finance ____ IT

____ **A3LC** | *Monthly 7:15 a.m. on Third Tuesday*
An industry collaboration with representatives from AIA Colorado, AGC Colorado and ACEC Colorado that works to promote trust through collaboration and shared knowledge to create value for all. Each year, A3LC hosts several educational, networking and collaborative events for contractors, architects and engineers with an annually set schedule of topics.

____ **QUALIFICATIONS-BASED SELECTION COLORADO COALITION** *Ad Hoc Meeting Basis* | An industry coalition representing ACEC Colorado, AIA Colorado, NSPE Colorado, ASCE Colorado, PLS Colorado and ASLA Colorado. Promotes education on federal and state QBS laws to agencies, other organizations and its partnering organizations’ memberships.

____ **ACEC COLORADO LEADERSHIP ROLES**
ACEC Colorado allows all employees of member firms to hold committee chair positions, as well as board and officer positions. (NOTE: sustaining members are not eligible for these roles.)
 Committee Chair for _____
 ACEC Colorado Board

____ **ACEC COLORADO SCHOLARSHIP & EDUCATION FOUNDATION**
 Board of Directors Scholarship Review Committee
 Fundraising Committee Golf Tournament Planning Task Force
 Diversity & Inclusion Committee:
Explores opportunities to engage with students from traditionally underrepresented populations in the consulting engineering field.

____ **POLITICAL ACTION COMMITTEE (PAC)**
Assists in raising and determining distribution of funds to political candidates for state office (CEPAC) and national office (ACEC National PAC).
 Consulting Engineers PAC (CEPAC) ACEC National PAC
