Congratulations to the 2024 Award-winning Projects!

The American Council of Engineering Companies of Colorado (ACEC Colorado) Engineering Excellence Awards (EEA) program annually recognizes Colorado consulting engineering firms for projects that demonstrate an exceptional degree of innovation, complexity, achievement and value. Each year's EEA winners are honored during a luncheon in early November. Additional details are online at www.acec-co.org, and videos about each project can be viewed on ACEC Colorado's YouTube Channel at <https://bit.ly/acec-co-eea23videos>
