On behalf of my firm, I hereby make application for membership in the American Council of Engineering Companies of Colorado. I have read the [ACEC Colorado Code of Ethics](#) and [ACEC National Professional & Ethical Conduct Guidelines](#), and [ACEC Colorado Bylaws](#). I agree to abide by the provisions and procedures of the aforementioned documents, and I agree that payment of renewal dues will, in effect, be a reaffirmation of such statement. I further certify all statements on this form have been truthfully answered.

Notice to Applicant

Members accepted during July, August and September shall pay dues for the entire year; members accepted during October, November and December shall pay dues for three-fourths of the year; members accepted during January, February and March shall pay dues for one-half of the year; and members accepted during April, May and June shall pay dues for one-fourth of the year. Quarterly dues for members joining mid-quarter will be prorated based on the number of days remaining in that quarter.

Dues (state and, if applicable, national) will be billed quarterly to your firm in accordance with the [ACEC Colorado Bylaws](#) and are due and payable upon receipt of invoice. However, your firm may elect to pay dues on an annual basis. The ACEC Colorado Board of Directors annually reviews and approves an established formula and dues table for state dues, which are assessed against member firms rather than individual members. National dues are set annually by the ACEC National Board of Directors.

ACEC Colorado does not condition membership on any health status-related factor relating to an individual (including an employee of any employer or a dependent of an employee). Resignations must be made in writing to the Board of Directors of ACEC Colorado. Resignation effective date will be the end of the month that the letter of resignation is received, and dues are to be prorated to that date for a "resignation in good standing." (ACEC Colorado Bylaws, Article VI, Section 2C)

Past-Due Accounts: Per the ACEC Colorado Bylaws, "A member who is delinquent in payments due, for a period of sixty (60) days after the due date, shall, unless the Board of Directors determines otherwise in view of the circumstances of the case, cease to be a member." (ACEC Colorado Bylaws, Article VIII, Section 2D)

Per the policy adopted January 2020 by its Board of Directors, ACEC Colorado will impose a reinstatement fee of 25 percent of the annual membership fee for any firm or individual submitting a re-application (i.e., returning as a member for the second or more time) form for membership in Colorado. The reinstatement fee must accompany the re-application form for membership prior to review for approval, per the ACEC Colorado Bylaws, of membership by the Board of Directors. The ACEC Colorado Board of Directors has discretion to waive the reinstatement fee at time of re-application. Please review the complete policy online at <http://bit.ly/colo-reinstatement>.
