

2026 CONFERENCE SPONSORSHIP PACKAGES

4/17/2026 Update

CONNECT. LEAD. INNOVATE.

ACEC Colorado's Annual Conference is more than an event—it's a two-day immersive experience designed to connect, lead, and innovate while strengthening the business of engineering.

More than 350 attendees, including decision-makers from the private and public sectors, come together to shape the future of consulting engineering in Colorado. Thoughtfully curated education, high-value networking, and meaningful recognition create a powerful environment for connection, learning, and industry leadership.

Aligning with ACEC Colorado positions your organization as a trusted partner in the consulting engineering community, and as a Conference Sponsor, your organization benefits from high visibility and meaningful recognition throughout the event.

STRATEGIC BENEFITS OF SPONSORSHIP

High-Impact Visibility & Brand Alignment

Sponsorship delivers high-visibility brand recognition through conference signage and integrated marketing before, during, and after the event—maximizing awareness, recall, and alignment. Sponsors are positioned alongside industry thought leaders in a setting that emphasizes quality, credibility, and professional excellence.

Direct Access to Decision-Makers

Sponsors gain meaningful access to influential leaders creating opportunities for strategic conversations and relationship-building with key stakeholders. To support proactive outreach, sponsors receive attendee lists—including names and company affiliations—one week prior to and following the conference.

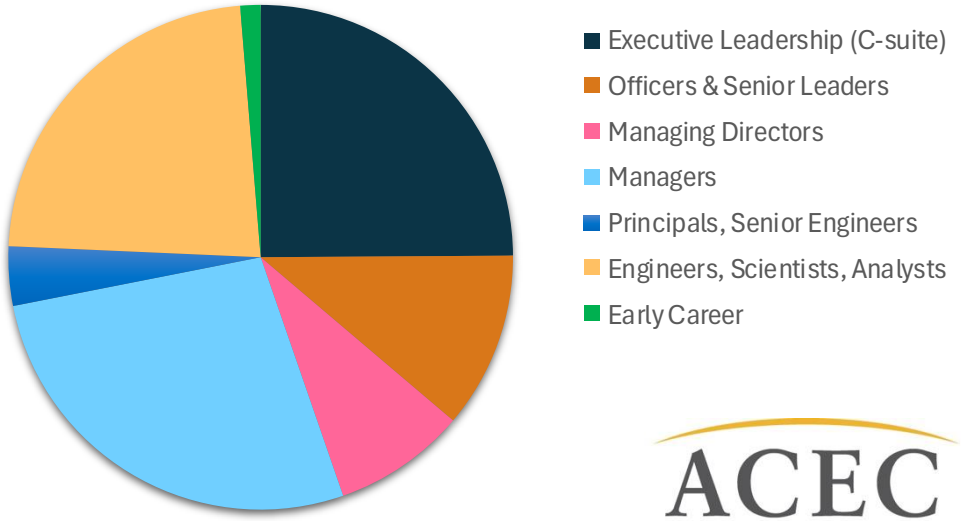

Positioned at the Center of Industry Conversations

As a Conference Sponsor, your organization is placed at the center of discussions shaping the future of consulting engineering—connecting your brand to leadership, innovation, and advancing effective business practices that strengthen firms and the communities they serve.

Long-Term Relationship

Conference sponsorship is an investment in long-term relationships and market development within Colorado's consulting engineering community. Sponsors reinforce their commitment to the profession while building trust, visibility, and relevance with firms and leaders who influence purchasing decisions year-round.

TIERED SPONSORSHIP LEVELS

Sponsorships are structured into tiered levels, allowing companies to select the visibility and branding opportunities that best align with their goals and budget.

Tier 1 – Executive Level Exposure

High-impact exposure to decision-makers and leadership audiences.

Tier 2 – Enhanced Engagement

Strong brand presence during high-traffic networking and refreshment times.

Tier 3 – Targeted Brand Visibility

Focused visibility and branding in educational and digital spaces.

Tier 4 – On-site Engagement Opportunities

High-value options that deliver strong audience exposure and authentic engagement with attendees.

TIER 4 – ON-SITE ENGAGEMENT

Pairing sponsorship with a Showcase Exhibit extends brand recognition into personal, on-site engagement.

Showcase Exhibit – $1,095

The Showcase Exhibitor is a core sponsorship level, delivering essential visibility and face-to-face interaction with conference attendees.

An exhibit includes one 6-ft display table located in a high-traffic exhibit area, and two (2) exhibitor admissions for company representatives to staff the display and engage directly with attendees during the Conference.

This level provides a reliable, high-value platform for visibility and relationship-building within the consulting engineering community.

High-value options that deliver strong audience exposure and authentic engagement with attendees.

Conference Sponsors at $1,000 or above qualify for a $300 discount to enroll as a Showcase Exhibitor.

MAXIMIZE VISIBILITY & ENGAGEMENT

Maximize Face-to-Face Engagement

Sponsors may enhance their conference presence by adding a Showcase Exhibit, creating a dedicated, high-visibility space for direct interaction with attendees.

Sponsors at the $1,000 level or above are eligible for a $300 discount on the Showcase Exhibit fee, making this option an efficient and cost-effective way to maximize face-to-face engagement and on-site visibility.

Branding & Logo Details

To ensure your brand is represented professionally and consistently, sponsors are asked to provide a high-resolution logo for use across event signage, the conference mobile app, the ACEC Colorado website, and email announcements.

Showcase Your Brand with Giveaways

Sponsors are welcome to provide branded promotional items for attendees. Approval by ACEC Colorado is required 30 days prior to the event to ensure alignment with the conference experience.

Premium Placement

Opportunities are limited and available on a first-come, first-served basis. Early commitment provides access to preferred placements and enhanced recognition throughout conference marketing and on-site experiences.

ACEC Colorado members include more than 250 firms representing engineers, architects, land surveyors and other specialists.
