Since 1967, the ACEC Colorado EEA program has recognized outstanding achievements within the consulting engineering community. These awards were presented to projects during a ceremony on Nov. 6, 2026, in Denver, CO, and the Grand Conceptor and Grand recipients are eligible to advance to the ACEC National 2027 EEA competition in Washington, DC. Visit **acec-co.org/awards/engineering-excellence-awards/** to learn more.
